Words you say to me,
I listen in sympathy
But I don't know what it is
That makes me ignore you.
I hear you every night,
I listen but the words don't seem right.
My mind seems somewhere else.
What else can I tell you?

I don't know what to do.
I'm losing you.

Something I can't control,
You are in my heart and soul.

I don't want to wake up now.
I don't want to wake up now.
I don't want to wake up now.
I don't want to wake up now.

Words you say to me,
I'm living in fantasy.
I don't know what it is,
I simply ignore you.

I hear you ever night,
I listen but the time is never right.
My life is so confused,
What more can I tell you?

Don't turn and walk away,
Don't leave this way,
Something I can't control,
You are in my heart and soul.

I don't want to wake up now.
I don't want to wake up now.
(repeat until fade out)
