Once upon a time
Once when you were mine
I remember skies
Reflected in your eyes
I wonder where you are
I wonder if you think about me
Once upon a time
In your wildest dreams

Once the world was new
Our bodies felt the morning dew
That greets the brand new day
We couldn't tear ourselves away
I wonder if you care
I wonder if you still remember
Once upon a time
In your wildest dreams

And when the music plays
And when the words are touched with sorrow
When the music plays
I hear the sound I had to follow
Once upon a time

Once beneath the stars
The universe was ours
Love was all we knew
And all I knew was you
I wonder if you know
I wonder if you think about it
Once upon a time
In your wildest dreams

And when the music plays
And when the words are touched with sorrow
When the music plays
And when the music plays
I hear the sound I had to follow
Once upon a time

Once upon a time

Once when you were mine
I remember skies
Mirrored in your eyes
I wonder where you are
I wonder if you think about me
Once upon a time
In your wildest dreams

In your wildest dreams
In your wildest dreams
In your wildest dreams
