If you want to live youÃ¢â¬âll listen to me  
WeÃ¢â¬âll be walking in fire in two hundred feet

Get your story straight now before we leave  
I donÃ¢â¬ât like the way theyÃ¢â¬âre talking to me

IÃ¢â¬âve been wrong before IÃ¢â¬âve been wrong  
before

The spiritÃ¢â¬âs loosed with amplitude  
Coming from my lungs  
We rebuke with borrowed tongues  
So shout it out my love

Love brought us here into the flames  
You can count on me if they call you names

WeÃ¢â¬âre bringing peace to this broken scene  
I think you should know you look pretty to me

WeÃ¢â¬âve been wrong before weÃ¢â¬âve been  
wrong before

The spirits loosed with amplitude  
Coming from my lungs  
We rebuke with borrowed tongues  
So shout it out my love

Shout it out my love  
Shout it out my love  
We canÃ¢â¬ât change a thing  
Shout it out my love

Shout it out my love  
Shout it out my love  
We canÃ¢â¬ât change a thing  
Shout it out my love

TheyÃ¢â¬âre talking to me  
TheyÃ¢â¬âre talking to me  
TheyÃ¢â¬âre talking to me
