If you been cooped in  
Lemme getcha goin'  
Rock 'n' Roll got ya fluid flowin'

Getcha sweatin'  
When the music move you  
And the amplitude is shootin' through you

No you can't coop me up  
So let me loose and juice me up

Do ya wanna?  
Do ya wanna?  
Do ya wanna get loose 'n' juicy?  
Loose 'n' Juicy

Miss & Mister Uptight  
Priss prim fit  
Just unbutton it a little bit

Rhythm let ya  
Feral feelings grow an'  
Gonna getcha epidermis showin'

You'll excuse this crude excuse  
To juice you up and turn you loose

Put 'em in then ya pull 'em out  
Do the loose 'n' juicy  
Shake it all about
