Baby all I want is you
[You,you,you,you]

All I want is you[You,you,you,you,you]
(x3)

[Baby you're all I want]
See the years just keep passing us by
And with it,you still keep catching my eye
And you just keep improving,loving how you do it
You're the sweetest music to my ear
And you just can't do no wrong
It's been you all along, you influenced this song
Baby, maybe I'm gone
Yes I got it bad, Usher being told me that
Hope you know I mean that
I'd rather give you time instead of roses
See your face instead of cash
I'd rather give you love instead of clothing
Is that too much to ask?
Baby all I want is you
[You,you,you,you]

All I want is you[You,you,you,you,you]
(x3)

[Baby you're all I want]
Now I might sound a little bit strange
I know every dude aint feeling this way
Baby, they aint got you, most of them aint met you
You know you the soundtrack to my life
If I'm Jay-Z, you're Beyonce
I need you like the Pistons need Chauncey
Believe me when I say that aint make believe,
baby you were made for me
Hope you know I mean that
I'd rather give you time instead of roses
See your face instead of cash
I'd rather give you love instead of clothing
Is that too much to ask?
Baby all I want is you
[You,you,you,you]

All I want is you[You,you,you,you,you]
(x3)

[Baby you're all I want]
