I heard a sad song playing on the radio
Bout a girl who loves him but she never really let it
show
Outside the rain keeps fallin down my window
I'm cryin inside gotta see you tonight

I understand it that somebody broke your heart before
But it wasn't me who left the pieces lying on the floor
But its me who's out here in the rain knocking at your
door
Paying the price for all of his lies

I write you a song but I cant find the words to say
To tell you whats on my mind
But even a symphony cant say what you mean to me
So how can I how can I give you

All of me when all I get is half of you
So tell me what am I supposed to do
If all I get is half of you
If all you give is half of you

Wanna be the reason that you never look for love again
Baby girl I wanna be your lover your best friend
How we gonna make it if you never gonna let me in
What can I do to prove that my love is true

I keep holding on for as long as its gonna take
Until you realize look in my eyes
They wont ever let you be betrayed
I'm not that guy but how can I give you

All of me when all I get is half of you
Now tell me what am I supposed to do
If all I get is half of you
If all you give is half of you

I just cant help it
I just cant help it

Now girl you got me locked up doin time

Got me paying for somebody elses crime
But how can love burn if its not returned
I need more than this so how can I give all

All of me when all I get is half of you
Now tell me what am I supposed to do
(what can I do)
If all I get is half of you
How can I give you

All of me when all I get is half of you
(half of you)
Now tell me what am I supposed to do
If all I get is half of you
If all you give is half of you
