Since you went away
Your memory lingers
You left me that day and slipped through my fingers

Since you went away
You keep on repeating (Oh)
Thomas:

Oh girl,
when we met, you had to go
I got your messages on my phone
And I know that's at your control
But I keep craving you
Drew:

'Cause you got that body
That sexy body
And your personality is legit (Legit)
You got me crazy
Can love ya maybe, it's true
I keep missin' you (Oh)
