[Drew:]

I wish somebody told me it's so hard to get a girl like
that cause maybe I wouldn't
Of tried so hard and I wish it didn't hurt so bad, when I
see her it's tearing my heart apart

[Hook:]

She wanted material things that I couldn't give her, I
couldn't deliver like those other
Guys... can't believe that she's got me going (But still)

[Chorus:]

Everytime I see her I realize how much I need her cause
I lose my mind everytime
I think about her in my life but guys always address her
and I just can't take the pressure
I get weak inside I'm on track, I wish I had a girl like that

[Drew:]

I wish I had a girl like that

[Jayk:]

My friends all tell me give it up that girl is outta your
league, but I just can't let
It go (Girl why) But I can't help it she did somethin crazy
to me, her body is makin me hot

[Hook]

[Chorus]

[Drew:]

I wish I had a girl
Said I wish I had a girl like that

[Bridge:]

Feels like I've been there before, this girl is
untouchable but she's so damn
Beautiful(yea) This is where I belong (oh) m heart has
been there before, why won't
She open the door? This girl's so untouchable(yea)

[Chorus]

[Jayk:]

I wish I had a girl
I wish I had a girl like that (oh yea)

[All:]

Everytime I see her
I realize how much I need her

[Drew:]

Said I wish I had a girl
Said I wish I had a girl like that... like that, like that
