Hey, Ohh
Hey yeahhh

I just love the way you sparkle like a starlit night
You're a mystery to me just like the northern lights
Fly around the club, you shimmer like a firefly
I wanna know why

Baby, when you're dancin',
Girl, it's like you're shinin'
I wanna let you know, know, know
You're iridescent, bright just like the heavens
I raise up my phone

I love the way you glow
I love the way you glow
I love the way you glow
I want you to know that I think you glow
Oh, oh, oh, oh
The way you glow
Oh, oh, oh, oh
The way you glow
Oh, oh, oh, oh
The way you glow
Oh, oh, oh, oh

Like a fire blazing higher on a summer day
You can beam me up
My shawty, just take me away
Like a diamond in the rough,
I don't know what to say
I love your rays

Baby, when you're dancin',
Girl, it's like you're shinin'
I wanna let you know, know, know
You're iridescent, bright just like the heavens
I'm raisin' up my phone

I love the way you glow
I love the way you glow
I love the way you glow

I want you to know that I think you glow
Oh, oh, oh, oh
The way you glow
Oh, oh, oh, oh
The way you glow
Oh, oh, oh, oh
The way you glow
Oh, oh, oh, oh

Blind me, baby, with your love
Blind me, baby, with your love
Blind me, baby, never burn out
Blind me, baby, with your love
Blind me, baby, with your love
Blind me, baby, never burn out

I love the way you glow
I love the way you glow
I love the way you glow
I want you to know that I think you glow
I love the way you glow
I love the way you glow
I love the way you glow
I want you to know that I think you glow
Oh, oh, oh, oh
The way you glow
Oh, oh, oh, oh
The way you glow
Oh, oh, oh, oh
The way you glow
Oh, oh, oh, oh

I love the way you glow
