(ohh right)

I heard a sad song playing on the radio,
about a girl who loved so much but she never really let
it show,
outside the rain keeps falling down my window,
I'm crying inside,
gotta see you tonight

I understand if someone had broke your heart before,
but it wasn't me who left the pieces lying on the
floor,
but its me who's out here
in the rain knocking at your door, paying the price for
all of his lies,
I'd write you a song but i cant find the words to say
to tell you what's on my mind,
not even a symphony can say what you mean
to me.
So how can I, how can I give you.

CHORUS

all of me
when all I get is half of you
now tell me what am I
supposed to do if all I get is half of you,
if all you give is half of you

Wanna be the reason that you never look for love
again,

baby girl, I wanna be lover, your best friend.
how we gonna make it if you never gonna let me in.
what can i do
to prove that my love is true.
I keep on and on for as long its gonna take,
until you realize. look in my eyes and i'll never let
you be betrayed,
I'm not that guy but how can i give you,

CHORUS

all of me
when all I get is half of you
now tell me what am I
supposed to do if all I get is half of you,
if all you give is half of you

now girl you got me locked up to many times got me
payin' somebody elses crime,
but how can love burn if its not returned,
i need more that this so how can i give

CHORUS(x2)

all of me
when all I get is half of you
now tell me what am I
supposed to do if all I get is half of you,
if all you give is half of you
