Drew:

I see you passing by everynight,  
You're my day glow fantasy.  
Your skinny jeans are fitting oh so right,  
Just like you were made for me.

Jayk:

I'll hold you close,  
Won't let you go.  
Girl, I'm bringing back romance.  
I've got a coat,  
If you get cold.  
All I need is half a chance

ALL:

To be that guy-uy-uy right next to you,  
I'm your Mr. Right,  
Make me that guy-uy-uy,  
No one else will do  
Cause when you're by my side,  
My heart goes, woah-oo-oo-oo-oo-oo-oo-oo.  
How can you deny?  
You can say what you wanna say,  
But Baby, I'm your guy.

Bobby:

I saw you shopping in the corner spot,  
So I walked right down your aisle.  
We conversated about the raindrops,  
And I finally made you smile.

David:

I said, "Let's go!"  
She said, "I dont know?"  
I guess she don't know how to dance.  
How about a date?  
This saturday?  
All need is half a chance.

ALL:

To be that guy-uy-uy right next to you,  
I'm your Mr. Right,

Make me that guy-uy-uy,  
No one else will do  
Cause when you're by my side,  
My heart goes, woah-oo-oo-oo-oo-oo-oo.  
How can you deny?  
You can say what you wanna say,  
But Baby, I'm your guy.

TC:  
Shawty, you're a dime.  
Everything about you is just so divine.  
I just wanted to let you know,  
That I'm your guy.

Drew:  
let's be like that song on the radio x3  
-song on the radio-

ALL:  
To be that guy-uy-uy right next to you,  
I'm your Mr. Right,  
Make me that guy-uy-uy,  
No one else will do  
Cause when you're by my side,  
My heart goes, woah-oo-oo-oo-oo-oo-oo.  
How can you deny?  
You can say what you wanna say,  
But Baby, I'm your guy.
