I was sitting in my car stuck in traffic
Inch by inch going downtown
Got a call and I almost missed it
Windows up radio down

She said and always you're breaking up
Can you hear me now?
I'll be there in a sec
As soon as I get pass this wreck
I can't wait to take you out

Because I'm mad I wanna see you
Mad I wanna kiss ya
Mad I wanna be with you
I'm just mad I wanna hold ya
Mad I wanna cuddle
Baby I wanna see you soon
'Cause baby nobody else
Can touch you like the way I do
You got me mad, so mad, so mad, mad, mad, mad,
mad at you

s
I was drivin' and I'm fast to the exit
When a car pulled up, window down
Told me that I couldn't drive with a cell phone in my
hand
In case I didn't know
I told the policeman that I really had to go
He said show me some respect, while I'm writing this
ticket
Guess he didn't know

Because I'm mad I wanna see you
Mad I wanna kiss ya
Mad I wanna be with you
I'm just mad I wanna hold ya
Mad I wanna cuddle
Baby I wanna see you soon
'Cause baby nobody else
Can touch you like the way I do
You got me mad, so mad, so mad, mad, mad, mad,
mad at you

I might be breaking all the rules
But it's worth it, you so worth it
You know it's true
And even if I take it so e
I still find you, please believe
You're the one for me, baby can't you see it's uh
youuuuuu
Girl, it's you and uh you, yeah, yeah, yeah,
yeahhhhhh, (yeah yeah)

Because I'm mad I wanna see you
Mad I wanna kiss ya
Mad I wanna be with you
I'm just mad I wanna hold ya
Mad I wanna cuddle
Baby I wanna see you soon
'Cause baby nobody else
Can touch you like the way I do
You got me mad, so mad, so mad, mad, mad, mad,
mad at you

Oh ohhhhhh
I wanna see you, and get to know ya
That is what I wanna do
I wanna be with you (oh, oh, oh, oh)
(yeahhhhhhhh)
(so mad, so mad, so mad, yeahhh)
