Red light break time
Lately I've been feeling like they all tryina get a piece of
me.
It's like they all tryna get a piece of me

RedOne

Varsity

I've been to all four corners of the world.
they all got one thing counting that's girls
They keep on knocking knocking at my door
it's like they follow me wherever i go

don't give me wrong the intension feels good
but all i want is to find real love

Red light break time
lately i've bene feeling like they all tryina get a pice of
me
i't like they all tryina get a pice of me
Red light hold up
i'm just trying to find the one
they all tryina get a piece of me
it's like they all tryina get a piece of me

Even been to all of the seven sea's
that everyone and the girls chase me
they keep on cal calling on my phone
don't think they ever want to let me go

don't give me wrong the intension feels good
but all i want is to find real love

Red light break time
lately i've bene feeling like they all tryina get a piece of
me
i't like they all tryina get a piece of me
Red light hold up
i'm just trying to find the one
they all tryina get a piece of me

it's like they all tryina get a piece of me

Been around the world
But still can't find that girl
she's so hard to see
they all wanna piece of me, all wanna pice of me

all wanna piece of me (4x)

Red light break time
lately i've bene feeling like they all tryina get a pice of
me
i't like they all tryina get a pice of me
Red light hold up
i'm just trying to find the one
they all tryina get a piece of me
it's like they all tryina get a piece of me
