Okay, o-o-okay  
Okay, o-o-okay

I couldn't live without you, no  
I couldn't see myself without you  
But it's over now  
I'm lost when I'm without you, yeah  
My heart just doesn't beat the same  
I ain't got no one to blame  
& when I'm alone I tell myself  
I'll make it on my own (oh oh)

Like the lyrics of a sad song  
I was feeling so wrong  
If you could only hear the words I say  
When your heart beats beside me  
Without you, I can finally  
I just wanna hear you say  
That you'll be okay  
You'll be okay  
Okay, o-o-okay  
Okay, o-o-okay

If I could turn back to us (Mmm)  
Then maybe I could change the way I was  
Just to prove it to us  
I can be all the man you need  
& You're still the only woman for me  
& when I'm alone, I tell myself  
I'll make it on my own

Like the lyrics of a sad song  
I was feeling so wrong  
If you could only hear the words I say  
When your heart beats beside me  
Without you, I can finally  
I just wanna hear you say  
That you'll be okay (Yeah)  
You'll be okay

V- let me in man. (Yo, that you'll be okay)  
(Yeah) I'm here to show you, here to be okay.

She left me so sick (Like Ne-yo say)  
Damn, I'ma need a couple minutes  
To bounce back (oh)  
Love is more important than the money I found (Yeah)  
But it was too late, by I know now  
When I saw you standing by the door, like 'go now'  
So cold, like a snow cloud, So slow merry-go-round  
Hit up an old note now

(Oh) & when I'm alone I tell myself  
I'll make it on my own (I can make it on my own)  
Like the lyrics of a sad song  
I was feeling so wrong  
If you could only hear the words I say  
When your heart beats beside me  
Without you, I can finally (finally)  
I just wanna hear you say  
You'll be okay  
Like the lyrics of a sad song  
I was feeling so wrong  
If you could only hear the words I say  
When your heart beats beside me  
Without you, I can finally  
I just wanna hear you say  
That you'll be okay  
Oh no, you'll be okay  
Okay, o-o-okay  
Tell me you'll be okay  
Okay, o-o-okay
