MOVIN' ON UP

M People

You done me wrong

Your time is up

You took a sip (just a sip)

From the devil's cup

You broke my heart

There's no way back

Move right out of here, baby

Go and pack your bags

Just who do you think you are

Stop acting like some kind of star

Just who do you think you are

Take it like a man, baby

If that's what you are

CHORUS

Cos I'm movin' on up

You're movin' on out

Movin' on up

Nothing can stop me

I'm movin' on up

You're movin' on out

Time to break free

Nothing can stop me, yeah.

They brag a man

Has walked in space

But you can't even

Find my face

There ain't nothin' you can do

Cos I've had enough of me, baby

Being part of you.

Just who do you think you are

This time you've gone too far

Who do you think you are

Take it like a man, baby

If that's what you are.

CHORUS

BREAK

Movin' on up

Movin' on up

Movin' on up

Movin' on up

CHORUS

Movin', Movin', Movin'

Nothin' can stop me

Movin', Movin',

Time to break free

Nothin' can stop me
