You've done me wrong,

Your time is up

You took a sip (just a sip) from the Devil's cup

You broke my heart, there's no way back

Move right outta here baby

Go and pack your bags

Just who do you think you are?

Stop acting like some kind of star

Just who do you think you are?

Take it like a man baby

If that's what you are

CHORUS:

'Cause I'm moving on up

You're moving on out

Movin' on up

Nothing can stop me

Moving on up

You're moving on out

Time to break free

Nothing can stop me,

Yeah

They brag a man has walked in space,

But you can't even find my place

Mm...there ain't nothing (not a thing)

You can do

'Cause I've had enough of me

Baby being part of you

Just who do you think you are?

This time you've gone too far

Just who do you think you are?

Take it like a man baby

If that's what you are

Repeat chorus
