Where can you find pleasure

Search the world for treasure

Learn science technology

Where can you begin to make your dreams all come
true

On the land or on the sea

Where can you learn to fly

Play in sports and skin dive

Study oceanography

Sign of for the big band

Or sit in the grandstand

When your team and others meet

In the navy

Yes, you can sail the seven seas

In the navy

Yes, you can put your mind at ease

In the navy

Come on now, people, make a stand

In the navy, in the navy

Can't you see we need a hand

In the navy

Come on, protect the motherland

In the navy

Come on and join your fellow man

In the navy

Come on people, and make a stand

In the navy, in the navy, in the navy (in the navy)

They want you, they want you

They want you as a new recruit

If you like adventure

Don't you wait to enter

The recruiting office fast

Don't you hesitate

There is no need to wait

They're signing up new seamen fast

Maybe you are too young

To join up today

Bout don't you worry 'bout a thing

For I'm sure there will be

Always a good navy

Protecting the land and sea

In the navy

Yes, you can sail the seven seas

In the navy

Yes, you can put your mind at ease

In the navy

Come on now, people, make a stand

In the navy, in the navy
Can't you see we need a hand
In the navy
Come on, protect the motherland
In the navy
Come on and join your fellow man
In the navy
Come on people, and make a stand
In the navy, in the navy, in the navy (in the navy)
They want you, they want you
They want you as a new recruit
Who me?
They want you, they want you
They want you as a new recruit
But, but but I'm afraid of water.
Hey, hey look
Man, I get seasick even watchin' it on TV!
They want you, they want you in the navy
Oh my goodness.
What am I gonna do in a submarine?
They want you, they want you in the navy
