I know

That we were built to find a way to turn this out

And I'm not one to fall victim

To failure

So seize the day

Act now

Let nothing block the way

Step up

Here we are

It's everything or nothing

Know this:

That one day not far

Infatuation parts

With all that we've known as real

And have been condemned to live

You can fade away

I'll grab on tight

Never release

Creation is our world

And we were built to find a way to carry on

If all I say is heard?????
