"Hello World"

Visit "[Hello World](#)" on MotoLyrics.com

Hello world,
This is me
Life should be...
Run for everyone

Every now and then I'm insecure
Let me show you life can be so pure
Seize the day
Wear a big happy smile on your face
Every night a little rain will fall
That won't change my attitude at all
You are you, I am me, we'll be free

[Chorus:]
Hello world this is me, life should be fun for everyone
Hello world come and see, life should be fun for
everyone

Life is easy if you wear a smile
Just be yourself, don't ever change your style
I like you, you like me let's have fun be happy
Look into my eyes and tell me you straight
For you I'll make the whole world wait
Let me know, if it's so let it show

Hello world this is me, life should be fun for everyone
Hello world come and see, this is me

Come on, baby, don't be afraid
Come on, baby, it's not too late
Say you do
Won't you open up the door and let me in?

Dee dee, dee dee, yeah yeah,
Open up the door for me
Yeah, yeah yeah, umm umm yeah

[Chorus]

Hello world this is me, life should be fun for you
Fun for me

Fun for everyone
Fun for everyone
