Where did he go
The man who said, I have a dream
Where have they gone
The four who sang, to let it be

Jackie's alone
She lost him one November day
L.A. motel
One sad mistake took Sam away

Oh remember then, remember when
Captured by the moment
In the magic of a yesterday
Captured by the moment
And I hope it never fades away

Sweet Janis cried
Lord won't you buy a Benz for me
Jimmy was right
Castles made of sand slip to the sea

Oh remember then, remember when
Captured by the moment
In the magic of a yesterday
Captured by the moment
And I hope it never fades away
Captured by the moment
Oh in the magic of a yesterday

Otis replied
A little tenderness we got to try
One open door
He tried to set the night on fire

Captured by the moment
In the magic of a yesterday
Captured by the moment
And I hope it never fades away
Captured by the moment
Oh in the magic of a yesterday
