We were lost and alone
Somewhere so very new
Caught in the magic of love
And your forgiveness
Selfish and too blind to see
Love was our music and, oh...
I am, lost in a world of emptiness
I am, learning to tell the truth
Somewhere, somebody new
We shared, faith without truth
With only my words left I turn,
To your forgiveness
Eyes in the darkness they cry
Tears are forever and oh...
I am, lost in a world of emptiness
I am, learning to tell the truth
So many roads to choose
I am, lost in a world of emptiness
I am, learning to tell the truth
I am, lost in a world of emptiness
I am, learning to tell the truth

So many roads to choose
