Oh you, broke an old tradition
Gave in to the flame
You tell me I'm the reason
You tell me I'm to blame
You're sorry for the evening
But nothing's wrong

It's only love, it's only love
It's only love, it's only love

I, don't need this condemnation
There's no room for mistakes
There's no time for forgiveness

It's written on your face
But girl I'm only human
Oh you should know

It's only love, it's only love
It's only love, it's only love
So let's turn it around
Start working it out
We should try, our love is so strong
We've got nowhere to go
It's right here we belong
We should try looking back again

Oh I, opened up your letter
I can't believe my eyes
You said I should know better
I have no alibis
No, no...no!

Then they play. then they play, then they
Yes they play, then they play

Only love, only love
Oh it's only love, only love
It's only love, it's only love
Oh it's only love, it's only love
