Oh I'm (missin' you)
The hurt on your heart
Through your eyes it shows
The past we can't relive
What we both know
Still I remember
Things I never meant
Memories surround me
Won't let me forget
I was so wrong
The secret's not worth keeping
I had no faith
That you would still believe
No, now
My heart's in your keeping
Here I am
Missin' you
(Missing you)
Fear in the dark
Stares from the wall

Your eyes in your picture

Won't let me go

If I could remember

How you felt the pain

The king of pretenders

Alone in shame

I was so wrong

The secret's not worth keeping

I had no faith

That you would still believe

No, now

My heart's in your keeping

Here I am, oh here I am

(Missin' you)

Missing you

Oh I'm (missing you)

You were there, now I'm here

You gave much more than I did

I gave what I had to give

If I could, you know I would

I'd make it up to you

Instead I'm (missin' you)

In the place you used to be

You were lying next to me

Oh I'm, missin' you

Oh I'm missin' you
