One very happy warm summer nite  
I saw your face, what could I do?  
So carefully I walked straight up to you

And in the shadow of a moonlit nite  
I saw those eyes a shinin' through  
Heart of gold, I love you misty blue

Oh it's hard to love somebody  
Especially when they don't belong to you  
'Cause they're loving someone else,  
Strung out and hung up on you

I feel like Bogart in a crazy movie  
Bogie 'n me, we never beg,  
But this time maybe I've got voices in my head

They're sayin' that he's never been good to you  
And he's always hurt and let you down,  
If what you need is good lovin: I'll be around

It's hard to love somebody  
Especially when they don't belong to you  
'Cause they're loving someone else  
Strung out and hung up on you.  
Strung out, strung out

Well, it's hard to love somebody  
Especially when they don't belong to you  
'Cause they're loving someone else,  
Strung out and hung up on you

It's hard to love somebody  
Oh when they don't belong to you  
'Cause they're loving someone else,  
Strung out and hung up on you  
Strung out and hung up on you  
Yea, strung out  
Yea, strung out  
Strung out  
Strung out

Strung out  
Strung out
