"MY REALITY"

Visit "[MY REALITY](#)" on MotoLyrics.com

life - source of all unreal

fictionared by brain

the dance of the visions, loss of all bounds

falling into a mystical ground

everyone for own

subject of mind

reality for me

united as one

death - source of all fear

nothing but a lie

the fog of our illusions

forever fade away

a whispering eye

endless calm

a far horizont

runs away

chains of mind

bridge to life

deeper perception

in our hands

and I wanna fly away through my destiny

to make me see my reality
