She had nothing but a heart of gold  
And a trailer home  
She opened the screen door and fed the poor  
This is all she knows

We are the sisters that reach for the hurting  
We are the brothers that fight for the weak  
These are the hands that lead the world to Jesus  
Oh, they'll know us by our love

How can someone give and get none back  
I wanna live like that  
So let's bring a little Heaven down to Earth  
'Cause we're never gonna know what love is worth  
Till we learn, c'mon church

We are the sisters that reach for the hurting  
We are the brothers that fight for the weak  
These are the hands that lead the world to Jesus  
Oh, they'll know us by our love

Not the way we raise our hands, no  
Love is abandoning our own plans, oh  
So let it go

We are the sisters that reach for the hurting  
We are the brothers that fight for the weak  
These are the hands that lead the world to Jesus  
Oh, they'll know us by our love  
They'll know us by our love
