Time and again  
I think to myself  
Oh, watch me  
One less gun shell

You are, you are  
You are ugly  
And you are, you are  
You are ugly

Oh, watch me  
That's her alone  
I've started to cry  
I've started to moan

You are, you are  
You are ugly  
And you are, you are  
You are ugly

Time and again  
I think to myself  
Oh, watch me  
One less gun shell

You are, you are  
You are ugly  
And you are, you are  
You are ugly
