"Son Of A Gun"

Swing, swing, up and down
Turn, turn, turn around
Round, round and round about and over again

Gun, gun, son of a gun
You are the only one
And no one else will take my place

The sun shines in the bedroom when you play
And the rain, it always starts when you go away
The sun shines in the bedroom when you play
And the rain, it always starts when you go away

Swing, swing, up and down
Turn, turn, turn around
Round, round and round about and over again

Gun, gun, son of a gun
You are the only one
And no one else will take my place

The sun shines in the bedroom when you play
And the rain, it always starts when you go away
The sun shines in the bedroom when you play
And the rain, it always starts when you go away

Swing, swing, up and down
Turn, turn, turn around
Round, round and round about and over again

Gun, gun, son of a gun
You are the only one
And no one else will take my place

The sun shines in the bedroom when you play
And the rain, it always starts when you go away
The sun shines in the bedroom when you play
And the rain, it always starts when you go away

The sun shines in the bedroom when you play
And the rain, it always starts when you go away
The sun shines in the bedroom when you play

And the rain, it always starts when you go away

The sun shines in the bedroom when you play
And the rain, it always starts when you go away
The sun shines in the bedroom when you play
And the rain, it always starts when you go away
