When you said you would leave
I thought that I would die
I thought I couldn't live anymore
If you weren't here by my side

But now go and leave me
I don't care anymore
I don't care if I never
See you no more

I'll always think of you
And of the love we knew
But I don't care anymore

When you said you would leave me
I didn't know what to do
I couldn't face the thought
Of living my life without you

But now go and leave me
I don't care anymore
I don't care if I never
See you no more

I'll always think of you
And of the love we knew
But I don't care any more
I don't care anymore
I don't care anymore
