[Lyrics: Rudolfsson]

We lick the blood of our swords
And raise them towards the sky
We scream the name of our lord
For you we fight and die

We scream your name
Into the night
We are your knights
In Satanic might

[Lead: Suckdog]

Dressed in steel forged in fire
Mighty flames of hell
Hell we feel black desire
Fill us with your spell

We scream your name
Into the night
We are your knights
In Satanic might
