"A Better Place"

Days, how many days
Do I have until
I am set free to a better place
A place of love
A place of no tomorrow's
Release me from this need i have of me
Hours, how many hours
Do I have until
I am set free to a better place
A place of no misery
Release me from this need I have of me
When will you believe me
When I say these things to you
No one likes a liar baby
No one at all
When will you receive me
When I say these things to you
No one likes a liar baby
No one at all
I guess I have something to look forward to
I guess I have something to look forward to
When will you believe me
When I say these things to you
No one likes a liar baby
No one at all
When will you receive me
When I say these things to you
No one likes a liar baby
No one at all
No one likes a liar baby
No one at all
