"I Can't Say No"

Closed eyes in the dark
Whispering when no ones around
The night sky looks light blue
My touch does not affect you
I wait for the night to fall on me
Like sugar plums, like sugar plums
I wait for her to conquer me again.
I can't say "yes", I can't say "no" to you.
We bring no stories with us
We light a candle for beauty's sakes
All you feel is the bliss
I am darling I am
I wait for the night to fall on me
With sugar plums, with sugar plums
I wait for her to conquer me again.
I can't say "yes", I can't say "no" to you.
I wait for her to conquer me again.
I can't say "yes", I can't say "no" to you.
