"Say No"

Visit "[Say No](#)" on MotoLyrics.com

Closed eyes in the dark
whispering when no one's around
the night sky looks like blue
my touch does not affect you

I wait for the night to follow me
like sugarplums, like sugar drums
I wait for the night to conquer me again
I can't say yes, I can't say no to you

We bring our stories with us
we light a candle for beauty's sake
are you feeling the bliss?
I am darling, I am

I wait for the night to follow me
with sugarplums, with sugar drums
I wait for the night to conquer me again
I can't say yes, I can't say no to you

I wait for the night to conquer me again
I can't say yes, I cant say no to you
