Working in fields with the sweat on my brow gets so  
lonely  
Untill i thing about my senorita back at home  
This week i'll have enough cash to buy clothes for my  
children  
Workin all day in fields to bring it all back home.(I am a  
prisoner)

I live to see the day  
He comes upon a horse  
I live to see the day he comes for me (I live to see the  
day he comes for me)

They drive and the sneer in their Mercedes Benz it's  
one hundred  
Like I'm some pet who is there just to bring them their  
roses (I am a prisoner)  
I spent a year living in an old van with no engine  
I do it all for my senorita down in Mexico (I am a  
prisoner)

I live to see the day she comes upon a horse  
I live to see the day she comes for me (I am a prisoner)  
I live to see the day she comes upon a horse  
I live to see the day she comes for me (I live to see the  
day)

I am a prisoner

Im losing my mind  
I am losing sense of my manhood  
I cannot find the shade to cool my anger down  
My first son jesus was born under a bridge around  
Broadway  
He's living with a senorita down in mexico (I am a  
prisoner)

I live to see the day she comes upon a horse  
I live to see the day she comes for me (I am a prisoner)  
I live to see the day she comes upon a horse  
I live to see the day she comes for me
