(Chorus)

And they love it when I plug it  
Took a pocket full of hope  
And made a pocket full of dougies  
They be poopin' off in private  
They be quiet out in public  
If you see these niggers say it 'til  
I fuck it ,fuck it, yeah  
I say they love it when I plug it  
Took a pocket full of hope  
And made a pocket full of dougies  
They be poopin' off in private  
They be quiet out in public  
If you see these niggers say it 'til  
I fuck it

(Verse)

Get off my dick, you niggers still talking shit, mad  
'Cause you old news  
Need that fucking walking stick  
Talking slick to old champs, man  
What you think you proving  
See me walking 'round grining think you winning  
But you losing  
This is me, this is G  
I dare you to disagree  
I've been Mississippi's finest  
Ain't no fucking mystery  
Pissed at me 'cause every more  
I making now is history  
Don't rock that monkey ass jewelry spill  
And call me Mr.G, I be the one  
And I don't need your validation  
Dandada in the Vada gladden  
Through the Pali station  
I'll be clubbing out in VR  
Alchool prison send a nigga to the IR  
We are the internationally known  
And localy respected  
And before I drop my album  
You can bet I'm gonna perfect it

Reputation to maintain,  
Bitch I'm gonna protect it  
Barrack Obama, I've been elected  
South side I rap it like that nigga

(Chorus)

And they love it when I plug it  
Took a pocket full of hope  
And made a pocket full of dougies  
They be poopin' off in private  
They be quiet out in public  
If you see these niggers say it 'til  
I fuck it ,fuck it, yeah  
I say they love it when I plug it  
Took a pocket full of hope  
And made a pocket full of dougies  
They be poopin' off in private  
They be quiet out in public  
If you see these niggers say it 'til  
I fuck it

(Verse)

Now do you know what you've been given  
Expecting ressurection  
The Messiah still living  
Tell my niggers quit the bitching  
Showin' them how we living  
They never had no BIT cameras all up in my kitchen  
You say fix them, I say kill 'em  
Been a millioanaire since I was a beginner  
Remember using them clothes  
Sayin' it's for TV antenas  
In the ghetto everybody going for self  
And then leave your ass and people going for help  
Now tell 'em  
Won't nobody miss you, it's like you're gay  
Playboy you don't want to issue  
See I bet you didn't catch that  
And I slowed that shit down  
Which explains why I'm still the king with no crown  
Give a damn what niggers think  
I've been doing this shit for years  
Home stage, home town, leaving people in tears  
Correcting niggers grammar that's for sure  
He's for sure  
And tell them crackers I'm just trying to let my cheese  
mature  
You feel me

(Chorus)

And they love it when I plug it

Took a pocket full of hope  
And made a pocket full of dougies  
They be poopin' off in private  
They be quiet out in public  
If you see these niggers say it 'til  
I fuck it ,fuck it, yeah  
I say they love it when I plug it  
Took a pocket full of hope  
And made a pocket full of dougies  
They be poopin' off in private  
They be quiet out in public  
If you see these niggers say it 'til  
I fuck it
