[Verse 1]

When I rap I be shaking 'em  
Every song that I write D.J. banging 'em  
So you say that I'm whack but they playin' 'em  
Got Ferraris and cribs and ya'll hating 'em nothing to  
say to THEMMMM  
I out rated them, and my flow, fo sho, out dated them  
Yes you were number one cause you paying them  
I be checking, the scams you scam, GODDAMN who you  
fooling' man?  
Inconspicuous, how I'm riding this thing it's ridiculous  
Me and Timothy, ya'll can't get rid of us  
I got aspirin for when ya'll get sick of us down your  
esophagusssss  
Ya'll ain't stopping me, ya'll just watching me like a  
pornography  
Ya'll say ya'll ain't mad but you just gotta be  
Cause the dough that you spend is Monopoly  
Fake Spender

[Chorus]

HEY BIG SPENDER! Spend.. A Little Time With.. Me!

[Verse 2]

Life is fiction, I got a bad cursing addiction (F.U.!)  
'xuse my diction, if you screwing my man, I've got big  
guns. (Gun Fire)  
I got good sense, now reach in your pocket it's full of  
lint  
That's why ya'll don't like me it's evident  
Cause the rumors you spreading's, irrelevant.  
TRICKKKK!  
See my third eye, you can't out the game even if you  
try  
You sleepin' on me? Here's a Rock-A-Bye  
Split atoms just like a Gemini, player give me my, F-F-  
Five Mics  
As for getting my money, it's my rhyme  
Knuckle up Mother suckers it's my time  
Cause I've been in this game, you just in your prawn

[Chorus]

[Verse 3]

Beats contagious, my flow come in all kinds of flavors  
Ya'll haters just mad we ain't neighbors  
Cause my fans scream like they in labor  
(AHHHHHHHHHH)  
I don't know ya'll, I've been rocking the shows before  
ya'll  
And I'm hotter than hot, I take no calls  
If you think this is hot then go whack-off (OHHHHHH)  
To my real fans, who support me and play me in  
caravans  
To every woman, and every man  
No disrespect but I'm just chilling MANNNNNN  
This is open Mics, you know Missy always gots to keep  
it tight  
You know that I know what you all's like  
Fake thugs with no dough you ain't livin' right

[Chorus]
