where do i put the shame?  
it feels like a broken toy  
i can't play with anymore  
where do i put the hate?  
to a pixilated screen  
i can't watch anymore  
all i know is that  
i'm here drifting  
somewhere in the vast  
somewhere in eternity  
and  
i never want to leave  
where do i put the books  
there's so many i could read  
but  
they all are filled  
with lies  
where do i put the lies  
there's so many i could say  
but  
it seems they're  
in the books  
i have faith that  
you' re out there living high  
up in the vast  
somewhere in eternity  
and  
you're never going to leave  
have i been telling  
lies to myself?  
hold me now you know  
i am so afraid  
to be at all  
have i been telling lies  
to myself?  
hold me now you know  
i am so afraid to love at all  
where do i put the love?  
where do i put the love?
