There is love
There is happiness
But not here
Not here
And there is peace
There is righteousness
Just waiting
Just wait

If you are in heaven
I don't want in
I'm not going to hell
I haven't sinned
Oh I don't want to live where I can't win
Oh if you are in heaven
I don't want in

And there is you
There is eternity
Just go on
And brace your head
Cause there is true forgiveness
Only if you do something evil
Is this evil

If you are in heaven
I don't want in
I'm not going to hell
I haven't sinned
Oh I don't want to live where can't win
Oh if you are in heaven I don't want in

If you are in heaven
I don't want in
I'm not going to hell
I haven't sinned
Oh I don't want to live where I can't win
Oh if you are in heaven I don't want in

Whoa oh
Whoa oh
