Jesus Christ
Are you the Son of God?
I want to know
You ask that I believe

Not one day goes by
That I don't compromise
Your love for the cold
Love of the world

It's killing me
Through my own evil pride
Not one day goes by
That I don't know that I'm dyin'

Jesus Christ
Are you the Savior of the world?
I want to see
But I still believe

Not one day goes by
That I don't realize
I know that no one
Will ever know

Where the flowers go
When they are gone
Not one day goes by
That I don't know that I'm dyin'

I want to say
You all are too

I want to say
You all are too

I want to say
I want to say
You all are too
