I have a secret  
A secret that no one can know  
I have been waiting  
For someone just like you to show

Let's do it slow  
Let's do it slow

I have a weapon  
A weapon that I never show  
I have been waiting  
For someone just like you to know

Let's do it slow  
Let's do it slow

I'm so in love with you

And don't let go  
And don't let go

I have been lonely  
A loneliness that you can't know  
I have been waiting  
For someone just like you to show

Let's do it slow  
Let's do it slow  
Let's do it slow  
Let's do it slow
