touched
you say that i am too
so much of what you say is true
i'll never find someone
quite like you
again
i'll never find someone
quite like you like you
the razors and the dying roses
plead i don't leave you alone
the demi-gods and
hungry ghosts
god, god knows i'm not at home
i'll never find someone
quite like you
again
i'll never find someone
quite like you
again
i looked into your eyes and
saw a world that does not exist
i looked into your eyes and
saw a world i wish i was in
i'll never find someone
quite as touched as you
i'll never love someone
quite the way
that i loved you
