

Vast "Winter in My Heart"

Visit "[Winter in My Heart](#)" on MotoLyrics.com

I need a summer but the summer's come and gone...
I need a summer but its winter in my heart...
It's all the same,
The fucked up game,
You play with me!
I need to hold you but you're never coming back...
I cant get,
Any lower...
I cant find,
All the pieces of my broken life...
I need a summer but the summer's come and gone...
I need a summer like a winter in my heart...
I can't get,
Any lower...
I cant find,
All the pieces of my broken life...
But I try,
I still try,
I still try...
