Touched,
You say that I am too,
So much,
Of what you say is true,

I'll never find someone quite like you,
Again,
I'll never find someone quite like you,
Like You,

The razors and the dying roses,
Plead I don't leave you alone,
The demi-gods and hungry ghosts,
God, god knows I'm not at home,

I'll never find someone quite like you,
Again,
I'll never find someone quite like you,
Again,

I looked into your eyes and
Saw a world that does not exist,
I looked into your eyes and,
Saw a world I wish I was in,

I'll never find someone quite as touched as you
I'll never love someone quite the way that I loved you.
