(Michel Lang/Mort Shuman)

Il y a quinze ans Ã peine, il y a quinze ans d'Ã©jÃ
Ma mÃ©moire est incertaine mais mon coeur lui
n'oublie pas
Un Ã©tÃ© de porcelaine, un coeur pour la premiÃ¨re
fois
Qui chavire et se dÃ©chaÃ®ne et balbutie ses
premiers pas

I have never forgotten that one summer you were mine
On a lonely beach hidden from all people and time
I have never forgotten when we walked along the shore
One sweet kiss and you promised to be mine for ever
more

Des Ã©tÃ©s de porcelaine, j'en ai connus aprÃ¨s toi
Sans que jamais ne revienne le goÃ»t que tu leur
donnas
Un jour j'ai revu la plage, j'ai retrouvÃ© des enfants
Qui comme nous jouaient Ã leur Ã¢ge le brouillon de
leurs quinze ans

I have never forgotten that one summer you were mine
On a lonely beach hidden from all people and time
I have never forgotten when we walked along the shore
One sweet kiss and you promised to be mine for ever
more.
