I want you to want me back (x2)  
I need you, and I need you now

I want you to want me back,  
to want me back, I, I, I  
I want you to want me back  
I need you, and I need you now  
I, I, I, I, I, I  
I'll never say, this to your face  
I, I. I. I. I. I.  
I fall to pieces inside this place.

I need you now  
I'm counting hours  
I turn off my phone  
Yeah, I'm so sick and tired of sittin' and stare into the  
wall  
days feel like weeks, a heartbeat like hours  
I've closed my door, so you won't know that....

I want you to want me back,  
to want me back, I, I, I  
I want you to want me back,  
I need you, and I need you now  
I, I, I, I, I, I  
I'll never say, this to your face  
I, I. I. I. I. I.  
I fall to pieces inside this place.

I want you to, feel what I'm feeling,  
and hurt like I do,  
and you're too dumb to think that I would take a fall  
again.  
open your eyes  
you're over the edge  
so look the way you've gone, cause you're in stop-land.

I want you to want me back,  
to want me back.  
I want you to want me back,  
(I, I, I, I, I, I

I'll never say, this to your face  
I, I, I, I, I, I)  
ah, ah, ah, ah, ah, ah,  
I want you to want me back,  
to want me back, I, I, I.  
I want you to want me back,  
I need you, and I need you now  
I, I, I, I, I, I,  
I'll never say, this to your face  
(I, I, I, I, I, I)  
I'll never say this.. to your face.  
I fall to pieces inside this place.
