Fuck you face down, ass up, that's the way I like it
Fuck you face down, ass up, that's the way I like it
Fuck you face down, ass up, that's the way I like it
Fuck you face down, ass up, that's the way I like it

In the middle of the bedroom
I'mma take you down on the floor
We can hit it in the showers
When you want it I'mma give you more
You know I want it, I want it, I need you girl
I said I want it, I want it, I need you girl

Baby I've been waiting so long
For this moment, so I could just take you home
It's on, take your little dress off, we can get going
Cuz you know that I've been sipping and I feel a bit
throw'd
Tell me why you got me trippin singing R&B songs
You looking good, shorty looking bad
And if you wanna throw your hands up you go ahead,
just do it like that
I want it, I need it, I told ya
So why don't you sit back, I saw you
And while you trippin off her? She old news

In the middle of the bedroom
I'mma take you down on the floor
We can hit it in the showers
When you want it I'mma give you more
You know I want it, I want it, I need you girl
I said I want it, I want it, I need you girl

Fuck you face down, ass up, that's the way I like it
Fuck you face down, ass up, that's the way I like it
Fuck you face down, ass up, that's the way I like it
Fuck you face down, ass up, that's the way I like it

Girl you looking good, so irresistible
I'm getting used to your hair, feels so incredible

Work you like a melody cuz I love it when you scream
for me
Take it high and dip it low for me
We'll be done until it's 2 or 3
If you wanna slow it down
Let me light this candle for ya
Start it up again
Try something different
We could take it outside to the balcony
I don't care if anybody sees
In my mind it's only you and me
Let me give you what your body needs

In the middle of the bedroom
I'mma take you down on the floor
We can hit it in the showers
When you want it I'mma give you more
You know I want it, I want it, I need you girl
I said I want it, I want it, I need you girl

Fuck you face down, ass up, that's the way I like it
Fuck you face down, ass up, that's the way I like it
Fuck you face down, ass up, that's the way I like it
Fuck you face down, ass up, that's the way I like it
