Woke up this morning I was all alone saw your picture
by the telephone
I was missing you oh so bad
Wish I had you here to hold all I've got is this touch-
tone phone
So I guess I'll give you a call

Operator help me please get thru to my baby way
overseas
Time's a wastin' oh so fast
Hello baby tell me is that you I don't know what we're
gonna do
But for now I'm glad I got you on the line
Well it feels so fine knowing you're all right
But you're miles away lord it's not the same

Well I woke up this morning I was all alone saw your
picture by the telephone
I've been missing you baby oh so bad
I love you baby with all my might come on home and
squeeze me tight
Long distance lovin's gonna drive me out of my mind
