I have  
Eyes I can see with  
Ears I can hear with  
Tongue I can taste with  
Nose I can smell with  
Lips I can speak with  
Cheeks I can smile with  
Teeth I can chew with  
Chew-chew-chew

Hands I can draw with  
Fingers to touch with  
Legs I can run with  
Legs I can jump with  
Knees I can bend and  
Toes I can stretch and  
Ankles to help me  
Stand up tall

Lungs I can breathe with  
Brains I can think with  
Voice I can sing with  
Feet I can dance with  
Arms I can hug with  
Love I can share with  
All of my friends  
And that's including  
You-ou-ou-ou-ou
