Something sentimental  
Most everywhere I look  
Things we loved together  
Are in my memory book  
When I look through them  
Each night to review them  
They seem to be  
Just a dream's length from me-ee  
Something sentimental  
A photograph or two  
Every note you wrote me  
Are signed with love from you  
Hours we've embraced in  
Are tenderly placed in  
A corner of my heart  
My souvenirs of love surround me  
They make me feel you're there  
Although the only arms around me  
Are those of my arm chair  
Parting's almost gentle  
Because you've left behind  
Something sentimental  
That never slips my mind  
Something to guide me  
Till you're here beside me  
Never again to part  
Parting's almost gentle  
Because you've left behind  
Something sentimental  
That never slips my mind  
Something to guide me  
Till you're here beside me  
Never again to part...
