I've got nothing left  
I've got nothing left to say  
I've got nothing left  
I've got nothing left to say, to say

I go all the way  
I go all the way  
I go all the way around  
I go all the way around the world to say yeah, to say  
yeah

I've been to see so many different cities  
I've seen some things you wouldn't even believe  
No you wouldn't believe

I thought I learned  
I thought I learned my lesson  
I thought the gut would never open again  
Never open again

I'm not fallin', I'm not fallin'  
I'm not fallin' for the oldest trick in the book  
Trick in the book, trick in the, trick in the book, trick in  
the book  
I'm not fallin', I'm not fallin'  
I'm not fallin' for the oldest trick in the book  
Trick in the book, trick in the, trick in the book, trick in  
the book

I've got nothing left  
I've got nothing left to say  
I've got nothing left  
I've got nothing left to say, to say

I'm not fallin', I'm not fallin'  
I'm not fallin' for the oldest trick in the book  
Trick in the book, trick in the, trick in the book, trick in  
the book  
I'm not fallin', I'm not fallin'  
I'm not fallin' for the oldest trick in the book  
Trick in the book, trick in the, trick in the book, trick in

the book  
I'm not fallin', I'm not fallin'  
I'm not fallin' for the oldest trick in the book  
Trick in the book, trick in the, trick in the book, trick in  
the book
